SAFE SHREDDING LLC ANNOUNCES APPROVAL OF PRESTIGIOUS NAID “AAA” CERTIFICATION

Livingston, NJ- July 1, 2006 – Safe Shredding LLC, New Jersey’s premiere confidential document destruction company, proudly announces the approval of its AAA Certification by NAID (National Association for Information Destruction). The AAA Certification is the highest level of certification awarded by NAID and throughout the shredding industry.

NAID is the international, non-profit trade association of the information destruction industry. NAID educates businesses, industry and government of the importance of destroying discarded information and the value of contract destruction services. NAID Certification meets the standards for reasonableness that is generally accepted by government agencies and courts. Most importantly, it makes sure the customer is getting the security they require. Audited by a CPP (Certified Protection Professional) this is the highest and most recognized security management accreditation achievable.

Safe Shredding LLC provides dependable, cost-effective mobile document destruction services that are Simple, Safe and Secure for New Jersey and the surrounding areas. Safe Shredding’s team of highly skilled and trained Document Destruction Specialists will help your company properly dispose of obsolete records and documents. Safe Shredding is an AAA Certified member of NAID, (National Association for Information Destruction). Safe Shredding LLC is also HIPAA, GLB and FACTA approved method of destruction, and recycles. Please visit www.NJShred.com or call toll free (866) 53-SHRED for more information.
